Dear Member

**Extraordinary General Meeting – Tuesday
26th July 2005 7.30pm , Blandford Corn Exchange**

At the AGM the Committee informed the members in attendance that we were late in making changes to the Committee and that due to the General Election the Committee would remain in place provided this was approved by the membership. The membership indeed voted and approved this. It was also decided that an EGM would take place as soon as possible after the election.

This letter is to inform you that the present Committee is to stand down and a new committee shall be elected. We have had much fun and made many friends in the fight for our country, yet each one of us has personal circumstances whereby we will not be able to offer ourselves as candidates for the next Committee.

It is therefore a matter of some urgency that you reflect on how you wish to see the North Dorset Branch of the UKIP develop. All posts of are open for nominations and a meeting and the election of officers will now be held on **Tuesday 26th July at the Corn Exchange , Blandford at 7.30 pm.**

The General Election is over and proved beyond doubt that neither the politicians nor the voters engaged in serious issues at General Elections but will revert to tribal behaviors. However recent events in France and Holland have added greatly to our cause to ensure the EU Constitution is killed off for ever. We need UKIP to present candidates for local elections and there is a job of educating your neighbours to be done. There is a place for UKIP to force the main parties to face the fact that we no longer wish to be ruled by Brussels. This is your branch and it's future is your choice. If you have nominations to make please make them to Peter Watson or myself asap. We need full participation of the membership. It is necessary for the branch to continue in order for us to continue the fight to regain our self government and we need to continue the momentum built up over these last two years which is increasing daily across the EU. We look forward to your positive response.

Yours faithfully
