

# Salisbury Christmas Market Festival

The town centre is beautifully decorated and the Christmas Market takes place in The 8th century Guildhall Square, right in the heart of the medieval, cathedral city of Salisbury. With the backdrop of the historic Guildhall and surrounded by dozens of other wonderful buildings this is a truly beautiful setting for the Christmas Market. For 2015 the Christmas Market will have over 100 exhibitors in tastefully decorated wooden chalets. The exhibitors and caterers will be among the best in this country and all will have been especially selected for the very high quality of their products, and the stylish way in which they present their chalets. There will also be a full programme of entertainment.

*Home-made lanterns at the Lantern Parade last year.*
